NEWSLETTER NOVEMBER 2010 (4)

Dear Jag Enthusiast

Editorial

Chairman's Chat

I have had numerous requests from Members about more details regarding the Queenstown Jaguar extravaganza. Unfortunately we will only have further clarification from the Organisers regarding accommodation, costs, etc, towards the end of this year.

At this stage members that have shown interest include Peter Micklewright, Eric Moore, Vernon Smith, David Crookes, Peter Fielding, and myself. In an effort to encourage more Members to take the plunge and consider the trip, we want to compile a list of E-Type Owners in and around Durban and make contact with them. Some owners that we are aware of include Ruben Cilliers, Peter Mahiknecht, Theo Alberda, Barry Liggins and Steve Nell. Although it's the 50th

Anniversary of the E-Type, all Jaguar Owners are invited to attend.

If any Member wishes to see a world-class restoration of a Jaguar then contact Neil Carlston, where he is restoring Garth Mekisich's Mk 2.

Finally the SAVVA proposals have been accepted by the Dept of Transport and they will now be taken to the next stage.

Till the next time
Jack.

Future Events

Sunday 14 November

The Jag Club will be accompanying the DECC on their run to the valley of 1000 hills for lunch on Sunday. For the Members that are going, we will be meeting in the parking lot of the Lord William Charles Restaurant at 11H30. Please remember that it is a B.Y.O.B. run, so if you forget it's going to be a long thirsty day.

Thursday 16 December

The offer to join up with the DECC to enjoy the Christmas lunch at the Westville Country Club still stands. If any member has an alternate suggestion please advise.

Here we have a group of Jag enthusiasts contemplating how to convert this Saracen into an E-Type to be able to attend the 50th Anniversary in Queenstown

Kind Regards

Steve Nell
