February 2012 Newsletter 01

Hi Jag enthusiasts

Not much to report this month as nothing really has happened. I should mention that a few of our members linked up with the Midlands Jag Club to a run at St Ives. We met up with the Midlands club at the old Crossways hotel in Hilton, before driving in convoy to St Ives, where we enjoyed a very enjoyable afternoon. From the NJDC, it was Elsabe and myself, and Garth Mekisich and Shoshanna in his dad's XJ6, which is x Ruben Cilliers. The Midlands people really made us feel welcome, and hopefully in the future, they will invite the NJDC to join them on future runs.

Future Events

The Durban Early Car Club has invited us to join them at their Valentine's Day Lunch to be held on Sunday the 12th of February at the Blue Zoo restaurant at Mitchell Park. The cost is R110 per person for a delicious three course meal. Jack has indicated that the NJDC will sponsor one member per couple's meal to the tune of R110, unfortunately the member's partner will have to pay for themselves. All those that are interested, please contact Jack before close of play tomorrow night (3 February 2012). Sorry for the short notice.

We received the following email from the Midlands Jag Club. Please advise if you are wiling to join in on the fun!

ESKOM have agreed to give us a weekend tour of the underground power station at Drakensville.
We need numbers! It will be a lovely drive as well via Winterton and Bergville.

We would like as many Durban guys as possible to come.

I will advise you of the date as soon as I get it. I am sure it is March or April.

Kind Regards

Steve
