### March 2012 Newsletter

#### Hi Jag enthusiasts

As you would have heard, the bad news never stops with the petrol price going up tomorrow and again next month. Please do not let this deter you from taking your classic cars for drives. Further on in this newsletter, there is clarity on the visit to the de Klerk's museum and restaurant. If you are attending, please notify me, so that I may notify the Midlands Jag club so that they will have numbers on catering. So far, myself and Elsabe and Mark Odendaal and partner are confirmed attendees from the NJDC. It would be nice if there are a few Jaguars from Durban driving in convoy to the event.

Although we are still far away from the AGM please apply your mind to the future of the club. This has been a very disappointing year as far as events go and in reality, we have not progressed as much as we had hoped to.

## Members contribution

We have received the following email and pictures form Theo Alberda

This is the racing XKR prepared by Rybrook motors the Jaguar agents in Warrington. Apparently, this car has had some successes on the track.

While there we had a good look over the latest XKR and XKR compressor. Five litre of sophisticated power and very well finished! The new diesel version of the XF was also on display and they boast more than 52 MPG....how's that!

### **Forthcoming Events**

We received the following information on the Natal Midlands Club March Run. It was received from Mark Odendaal.

Hi Guys,

As advertised previously, the March event is a visit to the de Klerk's museum for the ceremonial start-up of Keith's magnificent D type and view his collection of cars, followed by lunch at their restaurant.

Lunch will be 4 courses and will cost R 75 per person. Drinks will be available from the bar. (Guests are requested not to bring their own drinks and snacks as the intention is to support the new restaurant.)

When: **Sunday 25<sup>th</sup> March**

Time: **10: 00**. A bit later will not be a problem as it will just cut down on your viewing time.

Where: Meet at the de Klerks home.

RSVP. We must let Margaret know how many to cater for, so please confirm your attendance with me by Wednesday 21<sup>st</sup>.

**Please remember to continue sending in your contributions, suggestions and comments.**

**Kind Regards**

**Steve**
