

Classic milestone for Jaguar club

Article from autodealer 10 October 2012

The Durban wing of the Jaguar Drivers Club of Natal recently celebrated its 20th anniversary with a lunch at Keith De Klerk's Car Barn in Pietermaritzburg.

The venue houses a magnificent permanent display of Classic Jaguars. The weather was wet and miserable but that did not deter members from taking out their pride and joy.

There were five E-Types, a MK 2, XK 150, XJ6, a rare 420 G manual, a Daimler saloon, two later model Daimler/Jaguar V8s and an XK 8.

Jaguar Umhlanga added some flair by displaying a new Jaguar XKR convertible.

A great time was had by all and the clubs chairman, Jack Clough, was particularly pleased.
