## 1983 Jaguar XJ6 4.2 Automatic

1983 Jaguar XJ6, Automatic. Six cylinder, Maroon, four door. 242501 km

Having to sell this beautiful old car due to moving abroad. The car is in excellent condition and runs very smoothly. It has just been serviced to get it through change of ownership. All paperwork is up to date and there is nothing that needs to be fixed. As far as I know the car has only had two previous owners. She has recently had a new paint job and interior touch up. This car is a pleasure to drive and it is bound to put a smile on your face every time you turn the key.

Vehicle is in Greytown, Kwa-zulu Natal.
